

Silver Stream Railway Inc.

Turntable Fund.

Kiwi Rail have made the Waitakere Turntable available for purchase giving SSR the opportunity to secure an important piece of railway infrastructure. We need your help by donating towards the cost of purchase and transport of what is now the only remaining 50 foot turntable in the North Island and now one of only 3 remaining in New Zealand. Once purchased and transported to our site it will be installed and enable all of the railways locomotives ,including our mighty Ka (when separated from its tender). to be turned allowing for more varied operations on our expanding railway.

This is a rare opportunity as the number of steam era turntables have greatly reduced with few examples remaining. Any Donation you wish to make would be gratefully received. Remember any donation over \$5 is tax deductible.

I would like to donate \$_____ to the Silver Stream Railway Turntable Fund. Name: _____ Phone: _____

Address: _____ Email: _____

Please detach this form and post to: Silver Stream Railway PO Box 48-117 Silverstream Upper Hutt 5142
