WHO ARE WE?

Silver Stream Railway is run entirely by volunteer members that come from all walks of life. We do all tasks which are required for running a railway including restoring and maintaining of rolling stock, track, buildings, grounds, various administrative tasks and operating the railway for charters and public open days.

OPERATIONS

To operate the railway on an open day takes a Driver, Fireman, Guard, Station Master and a Shop Sales person. We are always looking for people to fill these rostered positions, in particular Shop Sales, Guards and Station Masters. Full training is given so it does not matter if you are not experienced.

Driver and Fireman duties are positions that will be offered to those who show strong knowledge and dedication to the operation of the railway during their time.

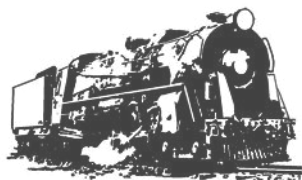

MEMBERSHIP BENEFITS INCLUDE
